## Wood Yard Work Said Fair to All

A protest in the form of a petition signed by six men who declared the city was "unfair" in its manner of allotting work in the municipal woodyard, drew a barrage of oratory from Mayor John Dennis and Councilman G. A. R. Steiner at council meeting Tuesday night. The matter was finally referred to a committee for investigation.

The protestants stated that some men were given almost steady work in the woodyard while others were "bumped" to a few days per month. It was pointed out by Steiner that some of the available positions had to be regular because of the hazardous nature of operating the saws. The remainder of available jobs were filled from a list of about 90 names and these can only be given work as the wood is sold, the councilman said. According to Street Superintendent Garcon, the city has been able to work from 15 to 18 men a day at the yard.

Closer installation will be held by Lomita Masonic lodge, January 1. Nathan Herr, worshipful master, announces the following appointing officers: George Murphy, junior deacon; J. L. Sanders, junior deacon; Earl Barringer, senior deacon; Barron Beckham, junior deacon; J. A. Paddock, chaplain; Dan Nauty, marshal, and G. L. Vogels, tyler.

LOMITA—About 100 people attended the Altar Society card party at Odd Fellow hall Thursday night. Torrance and Wilmington were well represented among the card fans.

## Courtroom Is Now Relief Storehouse

LOMITA.—With shelves for groceries and racks for clothes, President George Key of the Lomita Community Relief has fitted up the former Justice courtroom for a storeroom and the supplies are certainly coming in. The Relief has been able to take care of all emergency cases so far and has a goodly stock of food on the shelves.

## To Organize Lomita Branch of Reserve

LOMITA.—A Lomita branch of the Fleet Reserve is being formed and the charter will be held open until January 15. The wives of the members are also planning to form an auxiliary. On December 18, Friday night, the association will hold its first meeting, a Christmas party for members and families. There will be a tree, a real live Santa Claus with presents for the children and cards and refreshments.

Fleet Reserve men of Lomita, Torrance and adjoining territory are invited to join the new branch and to come to the Christmas party, where there will be a short meeting to discuss the forming of the auxiliary.

Friday was the 13th birthday of Dorothy Rathbun, and two of her friends, Marie Kurlz and Evelyn Gilkeson, made sure she would always remember the day. Mrs. Rathbun was taken into the conspiracy and helped surprise her daughter when a group of fellow students arrived Friday evening, bearing an eight-layer birthday cake and many other good things.

### Cabrillo Avenue Improvement to Be Pushed Again

(Continued From Page 1-A) The pavement is in and the assessment district in operation. Conner declared that it was his opinion that everyone on Cabrillo avenue was in favor of its improvement and that they would not balk on an assessment district although they would welcome any outside aid. The low cost of the work, \$20,000, he said would add interest to the proposal and under the 1911 Act, a 15-year payment period would be in order. Conner indicated that circulation of a petition for the improvement would be started in the very near future.

### Dental Specialist Is Now In Redondo

Dr. Charles W. Calvert, dentist, formerly of Los Angeles, has opened a new dental office at 122½ South Pacific avenue, Redondo Beach, upstairs above the Protch optical company, where it is possible to receive the latest in the care and treatment of teeth. Dr. Calvert is regarded as a specialist in the latest scientific methods of painless dentistry and each patient receives his personal attention as he has no operators or associates. All work is guaranteed. The dentist also invites Torrance residents to call for estimate and advice which will be cheerfully given at no cost. Dr. Calvert's office is open from 9 a. m. to 9 p. m., and Sundays by appointment.
